I love spending times wondering why people click, scroll, buy, share, or sometimes do absolutely none of those things.
Then, I use those insights to design brands, campaigns, and digital experiences that are bold and hard to forget.

2024 - 2026 Axon Active | Designer

Design internal visual communication, including publications, brand assets, presentation systems, web design, and workplace experience projects. Responsible for the creative idea and design of Axon Active's new office environment.

2022 - 2024 DDB Viet Nam | Creative Designer

Development of integrated marketing campaigns from concept to execution. Brand strategy support, creative ideation, campaign development, UX/UI design, and digital experiences.

[Panasonic, Tuong An, Lipton, Thuyen Xua Foods, Carlsberg, Santen Pharmacy, Bobby]

2021 - 2022 Ipsos | Research Assistant

Plan and execute quantitative and qualitative studies. Analysing consumer insight, reporting and giving strategic recommendations across FMCG, beverage and consumer goods brand.

[Mondelez, AkzoNobel, Heineken, Carlsberg, PepsiCo]

2023 - Present Freelancer

Creative support for advertising campaigns, social media content, and campaign pitches. Development of campaign concepts, visual systems, presentations, digital assets, publications, motion graphics, and short-form content for agencies and global brands.

[Suzuki, Unilever, Comfee, Prudential, ...]
